

Saratoga Blossom Festival – Saturday, April 13

Stuck inside with nothing to do and nowhere to go? The seemingly unrelenting rain can be a bit depressing and certainly confining, but if you are looking for a sunny activity to brighten your life, the Saratoga Blossom Festival will fit the bill! Because March looked to be another wet month we moved the date into April, which should prove to be a bright, dry and sunny month. So, Saturday, April 13 should be a great day for this event and the opportunity to get out and drive your car!

We look forward to seeing everyone again when we gather with our cars at the Saratoga Civic Center. Our vintage cars evoke wonder and questions and has always been a hit with the public, so if you long to get out for a local show and shine, plan to attend this event! Come on out for the festivities, hang out with friendly car people and just enjoy the festivities of the day.

In addition to our cars, the Festival brings out local artists, crafts people, a variety of musical groups and folk-dancers, costumed historic characters, antique engines, tractors, farm and fire equipment. There is also wine tasting by local winemakers, a variety of food vendors, agricultural displays and informational tours of the blossoming historic orchard. So get away from your car for a time and see it all. Equally popular with both kids and adults, the event provides a great opportunity to get out and spend some quality time with the kids or grandkids! The Saratoga Civic Center is located near Fruitvale and Saratoga Avenues, just ½ mile south of the Highway 85 Saratoga Ave. exit, and near West Valley College.

This is a one-day event, held between 10 AM and 4 PM. Because of the early arrival of vintage farm equipment and vendors please plan to arrive between 9AM and 10AM and stay for the day or as long as you would like.
